Goals

Met all your goals this sprint

Process

Kept the client in the loop regarding progress.

PRs with code smells and duplicate code blocks getting accepted.

Demo

Had a flawless demo ready for the review.

Code quality

Code smells and duplicated code blocks present in the current code (Most of them are in test classes).

JavaDoc required in some of the classes in the package operations.

Overall good and readable code.

Please refactor the package name of IMessageStrategy.java

Readme

Please have a readme as we are in the second half of the sprint.
